WHAT IS EXPAT CENTRE?

Expat Centre Limburg (ECL) is the welcome desk for internationals such as expats and other highly skilled foreign talents living and working in the Belgian province of Limburg.

At Expat Centre Limburg, we help and inform expats and their families so they can easily settle into their new living and working environment. As an international you can request information about your region and find out about events that are organised especially for the international community.

OUR SERVICES

- We give you tips and recommendations on all questions of everyday life and residence permits.
- At several events, specifically organised for internationals, you get the chance to explore Limburg, learn about the dual career services and Dutch courses.
- Thanks to the international community you get in touch with like-minded people and get informed about the socio-economic developments of this vibrant region.

“ The events of Expat Centre Limburg made me feel more at home. They were the perfect opportunity to unite with other internationals and share our experiences.”

“ Limburg is a very welcoming region that I would recommend to anyone. During the face-to-face consultation, I was able to ask my questions related to reorienting my career as expat spouse, and the searches for insurance companies and childcare in my new hometown.”

Isabel Sanchez, Spain
